It has been over 30 years since we had "The Last Healing Class" at the Mentorgarten as part of the Sufi University, and as a benefit for the Mentorgarten. We all look forward to manifesting our new depths of understanding.

*thanks and all blessings,
Hakim Sauluddin and the Leadership community of the D.H.O.*

This will be a benefit for the Mentorgarten – \$25 suggested donation

No one will be turned away due to lack of funds.

Lunch will be on your own. There are restaurants nearby, and Precita Park is across the street.
