

The Dervish Healing Order presents:

*A Pilgrimage to Murshid SAM
Gathering our Spiritual Transmission:
Magnetism and Healing*

June 20-26

at Lama Foundation, north of Taos, New Mexico

This year's retreat will focus on Murshid SAM's transmission and how to integrate and weave his teachings into daily life. We will listen for our own Spiritual Transmissions and discover ways in which those too may become an active part of our everyday life.

We will also focus on Magnetism and Healing: What it is, how to generate it, how to send it, how to use it to purify and revivify, how to use it for cleansing.

In addition to opening these inner doorways, we will offer: processions to the maqbara, stories about Murshid SAM, sohbet (spiritual discussion), walks, homework-dreamwork, bedtime stories, dancing, zikr, choir, sufi qigong, creative writing in the spirit, gemstone magnetism, magnetic humor, tea service and our usual frolicking amongst the trees.

Teaching Staff includes Senior teachers of the Dervish Healing Order and Sufi Ruhaniat International Murshid Saul Barodofsky, Murshida Mariam Baker, Sheikh Aslan Sattler, Sheikh Mansur Johnson, Sheikha Sarfaraz Knight, Sheikh Murad Finkelstein, Sheikh Siddiq Von Briesen, Michael Endlich, Elaine Sutton, Nasruddin Eddie Greenburg and others.

\$375 for all 6 days or \$70 per day.

All proceeds benefit the Lama Foundation

(Staff receives no honorarium or reimbursement and pays full fees)
